PRESS RELEASE
For Immediate release

December 2013

The New Single "Take Me Home"
 # 1 on Top40 Charts
#1 on Top40 Indie Charts

The band "**fOREVER**" is a 4-piece band based in Philadelphia Pa. The bands single "Take Me Home" has moved up to **#1** on **Top40 Charts** and has been **#1** on the **Top40 Indie Charts** 10 weeks running. The single was the **#1** added song to radio in its first week of airplay and has been **#1 Spincrease** nation wide since its release.

The Band has been chosen to kick off the **NASCAR** concert tour starting February 15, 2014 in Daytona Beach Florida. fOREVER is the featured band and will be on the main stage for all concerts through out the **NASCAR** season..

The It Factor Productions just finished filming the first part of a documentary featuring the members of **fOREVER** working with Grammy award winner **Phil Nicolo** at Studio 4 recording studio. The second part will feature the band doing a Q&A seminar followed up with a live performance for aspiring artists and musicians at **VIP Talent Connect** in New York City December 14, 2013. **fOREVER** will share the stage with some of the most influential entertainers, artists, producers and style gurus in the music industry.

Philly Social, "Philly's Social Media Network" filmed a series of interviews including live concert footage of the band performing in a special closed performance featuring their new single "Take Me Home". The video and interviews will be featured on **PhillyTelevision** through out the months of December 2013 and January 2014.

fOREVER spent their first 23 months as a band working together with studio owner **Drew Raison**- writing, recording and engineering over 30 songs to add to an ever growing library at Philadelphia's own **Philly Sound Studios**.

All songs were mixed and produced by **Grammy** award winning producer **Phil Nicolo** at his **Studio 4 Recording Studio** in Conshohocken Pa.

After leaving Phil's hands the songs were sent up to **Masterdisk** mastering house in Manhattan, New York and mastered by world-renowned mastering engineer **Andy VanDette**!

Coming up in the winter of 2014 the band will be doing a sales contest giveaway sending a lucky winner via **American Airlines** to a beautiful island paradise located in the **The Bahamas**. The contest is very simple. Download the band's single from Itunes or Amazon; send in the receipt number, winners to be announced!

The band currently has a **YouTube** channel boasting over **1,000,000** views. A **Facebook** band page with over **11,000** "likes" and a loyal Twitter following of **15,000** followers tuning in to see just what's coming up next!

fOREVER supports the **Children's Miracle Network**.

Monitored airplay data is supplied by Spins Tracking System (STS) a division of Backstage Entertainment. Songs ranked by total plays for the airplay week. Bullets (bold underlines) appear on songs gaining plays or remaining flat from previous week. If two songs are tied in total plays, the song with the larger increase in plays is placed first. Songs below 20 are moved to recurrent after 4 weeks downtrend on chart. Most Added is the total number of new adds officially reported to NMW by each reporting station. Spincrease lists the songs with the greatest week-to-week increases in total plays. TWS: Total number of plays during current week; TRND: Increase or decrease in number of plays from previous airplay week; LWS: Total number of plays during previous week; 3WS: Total number of plays three weeks previous; AVG: Average play per station; CUME: Total number of stations playing; ADD: Total number of new stations; WK: Total number of weeks song has been tracking; FH: Represents song serviced to radio via New Music Weekly's Future Hits Radio Compilation; ✦(Stress Trax): Songs receiving attention from your listeners and proven to be successful for your market.
